

# Help a neighbor

On March 8, 2013 a fire damaged Taylor's Ice Cream building including several apartments.

Karin Taylor and Tracey Drake's apartment and most of their personal possessions were destroyed.

To help Karin and Tracey recover from this fire the Valley Restaurant has graciously offered to host a guest bartender night.

Karin and Tracey will be guest bartending on Friday April 26, 2013 from 8PM to 11PM. Portions of the proceeds from this event will be given to Karin and Tracey. Since Karin and Tracey have never tended bar this should be an interesting event.

**Please join us on Friday April 26th to support your friends and neighbors.**
